LGBTQIA+ Pride Month June 2025

Whereas: The City of Roseville supports the LGBTQIA+ community and honors their many contributions to the health of the city; and remains committed to treating all people with fairness and respect; and

Whereas: In 1993, Minnesota became the first state in the nation to outlaw both sexual orientation and gender discrimination in the field of employment, housing and public accommodations; and

Whereas: In 2013, the state of Minnesota legalized same-sex marriage; and

Whereas: In 2021, the City of Roseville became the 9th municipality in Minnesota to ban the practice of conversion therapy on LGBTQIA+ youth and vulnerable adults, a practice now banned by the State of Minnesota as of 2023; and

Whereas: Roseville continues the tradition for communities across America to recognize their LGBTQIA+ (Lesbian, Gay, Bisexual, Transgender, Queer, Questioning, Intersex, Ally) residents during the month of June; and recognizes the + to symbolize the inclusion of all identities; and

Whereas: LGBTQIA+ people, as the rainbow flag symbolizes, come from every group, religion, ethnicity, age, occupation, ability/disability, size and shape; and

Whereas: Members of the Roseville LGBTQIA+ community have always served as valuable members of our country in every capacity as homeowners, taxpayers, members of the military, business owners, parents and employees; and

Whereas: It is important to recognize that we are all part of the same community; and

Whereas: LGBTQIA+ residents have enriched the diverse community of Roseville through their participation in city government, the arts, religious and civil institutions, education and community organizations; and

Whereas: The City of Roseville believes that all people deserve to be protected from bullying, harassment, discrimination, and health disparities; and convey a clear message that intolerance is not welcome in our community, and

Whereas: LGBTQIA+ community allies, including the Roseville Area High School student groups, provide support and encouragement to Roseville youth with the assistance of School District staff and administration; and

Whereas: The City of Roseville reaffirms our commitment to promoting full inclusion and equality for every resident of our great city.

Now, Therefore Be It Resolved that the City Council hereby declares June 2025 to be LGBTQIA+ Pride Month in the City of Roseville, County of Ramsey, State of Minnesota, U.S.A.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the City of Roseville to be affixed this 19th day of May, 2025.

Mayor Daniel J. Roe

National Gun Violence Awareness Day and Month

June 6, 2025

June 2025

Whereas: Americans are, on average, 26 times more likely to die by gun homicide than people in other high-income countries; and

Whereas: According to The Centers for Disease Control and Prevention, gun violence kills 125 Americans and injures more than 200 every day. Each year, more than 18,000 people in the United States die from gun homicides; and

Whereas: In 2023, firearms were the leading cause of death of children under 18 in the United States, taking the lives of 4,455 young people; and

Whereas: Gun violence disproportionately impacts Black, Indigenous, and People of Color. Black youth are 18 times more likely than white children to die by gun violence. Hispanic and Indigenous people also die by gun violence at twice the rate of white people; and

Whereas: In Minnesota, there are on average 527 gun-related deaths and 1,174 non-fatal injuries each year. This includes 143 homicides and 583 injuries from assaults with guns; and

Whereas: Roseville is not immune to gun violence. On April 5, 2022, an individual recklessly fired shots on West Lake Owasso Boulevard, hitting homes and cars and seriously injuring Roseville Police Officer Ryan Duxbury; and

Whereas: Roseville and cities across the country are working to end gun violence with evidence-based solutions, including integration of social services and mental health support into public safety work, holding gun turn-in events for community members to dispose of unwanted guns, and providing gun-locks free of charge to allow residents to better secure their guns in their homes; and

Whereas: Protecting public safety is one of the City's most important responsibilities; and

Whereas: Upholding Second Amendment rights can and should go hand-in-hand with promoting safe and responsible gun ownership and use, including limiting gun access for people with dangerous histories; and

Now, Therefore Be It Resolved that the City of Roseville renews its commitment to ending gun violence and we pledge to do all we can to keep guns out of the wrong hands and encourage safe, responsible gun ownership to help keep our community safe; and

Be It Further Resolved that City of Roseville declares the month of June 2025 to be *National Gun Violence Awareness Month* and recognizes June 6, 2025, as *National Gun Violence Awareness Day*. We encourage all residents to support efforts to prevent the tragic effects of gun violence.

In Witness whereof, I have hereunto set my hand and caused the Seal of the City of Roseville be affixed this 19th day of May, 2025.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 7.a.

Department Approval

City Manager Approval

Item Description: Conduct Public Hearing and Certify Unpaid Utility Charges to the Property Tax Roll

Background

As authorized by City Code, Sections 506, 801, 802, and 906, the City annually certifies to the County Auditor any unpaid false alarms, water, sewer, and other charges that are in excess of 90 days past due, for collection on the following year's property taxes. Affected property owners are provided a hearing to dispute any charges against their property.

Beginning in 2010, the City Council began approving certifications for delinquent utilities on a quarterly basis. This ensures that any unpaid utilities are brought to the attention of new property owners in a more timely fashion. It also allows the City to record a lien against the property in the event that a property goes into foreclosure and/or is being prepared for sale for other reasons.

Attached is the current list of delinquent charges. Payments (along with accrued interest) received in the Finance Office prior to May 9, 2025 were accepted and will not be levied on the 2026 property taxes.

Policy Objectives

Certifying delinquent charges are required under City Code
