REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 7.b.

Department Approval

City Manager Approval

Item Description: Consider a request to perform an abatement for unresolved violations of City Code at 2941 Victoria Street N

Background

The subject property is an occupied, single family home. Current violations related to the abatement request include (applicable code sections provided in Attachment 3):

- Unsafe structure (1300.0180, 906.03.H)
- Parking on unimproved surface (407.02.G.4.a)
- Outside storage of miscellaneous items (407.03.I)
- Unlicensed and inoperable vehicle (407.04)

Staff received a complaint regarding a tent structure constructed at the subject address on September 30, 2024. Staff confirmed violations during a site visit. Staff were able to speak with a person at the property on September 30, 2024. Staff were assured that all violations would be corrected as soon as the inoperable vehicle underneath the tent was repaired. On October 28, 2024, staff received a voicemail from the property owner requesting more time to make corrections. Staff followed up on November 13, 2024 with a voicemail and letter requesting a definitive timeframe for corrections. Staff conducted a site visit on December 12, 2024 to discuss the violations with the property owner. The property owner stated that the tent, the inoperable vehicle and all items stored outside belonged to his adult daughter and that he has had numerous conversations with her about correcting all noted violations. Staff continued to work with the property owner and together an agreed-upon date for full compliance would occur no later than May 1, 2025. On May 9, 2025 staff posted a condemnation placard on the unsafe structure and provided notice of the scheduled Council hearing where staff would request the abatement of violations. A compressed timeline of staff interactions is included in Attachment 1. Staff correspondence and photos of violations are included in Attachment 2.

As of the writing of this Request for Council Action, no progress towards code compliance with any noted violations has been observed on this property. A status update will be provided during the hearing.

Policy Objectives

The abatement of public nuisances is necessary to protect the public's comfort, repose, health and safety.

Equity Impact Summary

Equity impacts related to this request have not been evaluated.

Budget Implications

The estimated costs of the proposed abatement include the following:

38	• Removal of unlicensed, inoperable vehicles outdoors	\$ 0.00
39	• Removal of items stored outside	\$ 500.00
40	• Removal of unsafe structure	\$3000.00
41	• Abatement fee per council approved fee schedule	\$ 350.00
42	Total:	<u>\$3,850.00</u>

43

44 **Staff Recommendations**

45 Staff recommends the Council direct Community Development staff to abate the above referenced
46 public nuisance violations at 2941 Victoria Street N.

47

48 **Requested Council Action**

49 By motion, direct Community Development staff to abate the public nuisance violations at 2941 Victoria
50 Street N, by notifying a towing company to remove the unlicensed vehicle from the property and by
51 hiring a private contractor to remove the unsafe structure and items stored outside on the property.

52

53 If so ordered, the property owner will be billed for actual and administrative costs. If charges are not
54 paid, staff shall recover costs as specified in Section 407.08.B.

55

December 12, 2024

Case #ENF24-397

Eugene C Wenger
2941 Victoria St N
Roseville, MN 55113

Dear Resident,

The purpose of this letter is to follow up on previous communications and conversations regarding the structure that has been erected to the south of the garage on your property. The structure is in violation of City Ordinance and State Building Code, and as such, needs to be removed.

Please remove or submit a plan with a concrete timeline for the removal of the illegal structure and the outside storage of materials surrounding the structure.

This matter will be discussed at a future public hearing before Roseville's City Council. At this public hearing, the Community Development Department will request authority from the City Council to recommend a Ramsey County Court Citation. If the violations are corrected prior to the public hearing date, the public hearing will be cancelled and the case file closed.

We hope that you will work with us to maintain a positive community environment. If you would like to discuss this further, please contact me at 651-792-7083 or at chris.bolstad@cityofroseville.com.

Sincerely,

Chris Bolstad
Code Compliance Coordinator
Chris.bolstad@cityofroseville.com

ACTION REQUIRED BY January 25, 2025

January 15, 2025

Case #ENF24-397

Eugene C Wenger
2941 Victoria St N
Roseville, MN 55113

Dear Resident,

The purpose of this letter is to follow up on previous communications and conversations regarding the illegal structure that has been erected to the south of the garage on your property. The structure is in violation of City Ordinance and State Building Code, and as such, needs to be removed.

Please remove or submit a plan within 10 calendar days from the date of this letter that includes a concrete timeline for the removal of the illegal structure and the outside storage of materials surrounding the structure.

Without removal of the illegal structure or the submittal of a firm timeline for the removal of the illegal structure from the property, you may be subject to an Administrative Citation for each day that the illegal structure remains on the property. This matter may also be discussed at a future public hearing before Roseville's City Council. At this public hearing, the Community Development Department will request authority from the City Council to recommend a Ramsey County Court Citation. If the violations are corrected prior to the public hearing date, the public hearing will be cancelled and the case file closed.

We hope that you will work with us to maintain a positive community environment. If you would like to discuss this further, please contact me at 651-792-7083 or at chris.bolstad@cityofroseville.com.

Sincerely,

Chris Bolstad
Code Compliance Coordinator

Case #ENF24-397

Eugene C Wenger
2941 Victoria St N
Roseville, MN 55113

Dear Resident,

The purpose of this letter is to follow up on a voicemail I left at 651-484-2095. The structure that has been erected to the south of the garage on your property is an unlawful structure, and as such, needs to be removed. I left a voice message at the number referenced above and am also writing this letter to you to get a timeframe from you for the removal of the structure.

Please reach out to me by phone at 651-792-7083 or by e-mail at chris.bolstad@cityofroseville.com to provide a concrete timeframe for the removal of the unlawful structure.

We hope that you will work with us to maintain a positive community environment. If you would like to discuss this further, please contact me at 651-792-7083.

Sincerely,

Chris Bolstad

Case #: ENF24-397

Eugene Wenger
2941 Victoria St.
Roseville, MN 55113

Dear Property Owner:

The City of Roseville is committed to protecting and enhancing the character, stability, and appearance of the City's residential neighborhoods and commercial areas by maintaining the standards and enforcing the regulations established in Roseville City Code. The City has verified code violations at your property. The City of Roseville intends to hold a public hearing before City Council to discuss possible administrative citation or abatement for the violations identified below:

The combined ongoing violations include:

- An unlawful / unsafe structure
- Outside storage of misc. materials and equipment.

These are violations of Roseville's City Code, specifically:

- **407.03 I**, which prohibits the outside piling, storing or keeping of old machinery, furniture, household furnishings or appliances or component parts thereof, rusting metal inoperable/unusable equipment, or other debris visible on private or public property.
- **906.03 H, H. Unsafe Structures and Equipment:**
 1. General. When a structure or equipment is found by the code official to be unsafe, or when a structure is found unfit for human occupancy, or is found unlawful, such structure shall be condemned pursuant to the provisions of this code.
 2. Unsafe structures. An unsafe structure is one that is found to be dangerous to the life, health, property or safety of the public or the occupants of the structure by not providing minimum safeguards to protect or warn occupants in the event of fire, or because such structure contains unsafe equipment or is so damaged, decayed, dilapidated, structurally unsafe or of such faulty construction or unstable foundation, that partial or complete collapse is possible.
 3. Unsafe equipment. Unsafe equipment includes any boiler, heating equipment, elevator, moving stairway, electrical wiring or device, flammable liquid containers or other equipment on the premises or within the structure which is in such disrepair or condition that such equipment is a hazard to life, health, property or safety of the public or occupants of the premises or structure.
 - a. Structure unfit for human occupancy. A structure is unfit for human occupancy whenever the code official finds that such structure is unsafe, unlawful or, because of the degree to which the structure is in disrepair or lacks maintenance, is insanitary, vermin or rat infested, contains filth and contamination, or lacks ventilation, illumination, sanitary or heating facilities or other essential equipment required by this code, or because the

location of the structure constitutes a hazard to the occupants of the structure or to the public.

b. Unlawful structure. An unlawful structure is one found in whole or in part to be occupied by more persons than permitted under this code, or was erected, altered or occupied contrary to law.

Corrective Measures:

- Move misc. materials and equipment to storage inside of a structure lawful structure or remove items from property.
- Remove and dispose of unlawful structure on property.

This matter will be discussed at a public hearing before Roseville's City Council. At this public hearing, the Community Development Department will request authority from the City Council to perform a City abatement and contract with private companies to have all violations corrected and/or issue an administrative citation. This would entail the expenditure of funds for which you, as the property owner, would be responsible to repay. If the violations are corrected prior to the public hearing date, the public hearing will be cancelled, the case file closed the Administrative Citations may be rescinded.

This public hearing will be scheduled for an upcoming City Council meeting on **May 19, 2025**, for which you are being be notified. City Council meetings are held in the City Council Chambers located at 2660 Civic Center Drive and begin at 6:00 p.m. I encourage you to attend the meeting. You will be given the opportunity to speak. If you have any questions regarding this matter, please contact me at 651-792-7087.

Sincerely,

Dave Englund, Codes Coordinator

651-792-7087

david.englund@cityofroseville.com

CITED CITY CODE SECTIONS

407.02: NUISANCES AFFECTING HEALTH, SAFETY, COMFORT OR REPOSE:

G. Parking and Storage: The outside parking or storage on residentially-zoned property of vehicles, materials, supplies or equipment in violation of the provisions set forth below:

2. Storage on Property: No person may place, store or allow the placement or storage of the following, in the front yard or unscreened street facing side yard of a corner lot of any residential zoned area:

c. Vehicles of any type in inoperable condition

407.03: NUISANCES AFFECTING PUBLIC HEALTH AND SAFETY: The following are declared to be nuisances affecting public health and safety:

I. Junk: The outside piling, storing or keeping of old machinery, furniture, household furnishings or appliances or component parts thereof, rusting metal inoperable/unusable equipment, or other debris visible on private or public property. (Ord. 1162, 7-10-1995)

407.04: VEHICLES CONSTITUTING A PUBLIC NUISANCE:

A. Abandoned, Junk, Unauthorized and Inoperable Vehicles Create Hazard: Abandoned, junk, unauthorized and inoperable vehicles are declared to be a public nuisance creating hazard to the health and safety of the public because they invite plundering, create fire hazards, attract vermin, and present physical dangers to the safety and well-being of children and other citizens. The accumulation and outside storage of such vehicles is in the nature of rubbish, litter and unsightly debris and is a blight on the landscape and a detriment to the environment. It shall be unlawful for a person to pile, store or keep wrecked, junked, inoperable, unauthorized or abandoned vehicles on private or public property.

D. Vehicles Without Current Registration: Except where expressly permitted by state law, any vehicle or other equipment, which requires registration for operation in the State of Minnesota, shall be deemed to be junked, inoperable, unauthorized or abandoned if said vehicle does not have attached thereto a valid registration issued by the proper State agency.

906.03.H. Unsafe Structures and Equipment

1. General. When a structure or equipment is found by the code official to be unsafe, or when a structure is found unfit for human occupancy, or is found unlawful, such structure shall be condemned pursuant to the provisions of this code.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 7.c.

Department Approval

City Manager Approval

Item Description: Consider Presumptive Penalty Approval - 2025 Alcohol Compliance Check (La Casita)

Background

In 2025, all businesses holding a City of Roseville liquor license received a letter in the spring announcing that two citywide alcohol compliance checks would be conducted before the end of the calendar year (Attachment 1). The letter also included information regarding the Roseville City Ordinance mandating a liquor licensee training program and outlining penalties for noncompliance.

This report pertains to the first round of alcohol compliance checks, conducted in March 2025.

On March 29, 2025, an underage compliance checker entered various establishments licensed to sell alcohol in Roseville to conduct compliance checks. Following the checks, multiple businesses were found to be noncompliant (Attachment 2).

La Casita (Case #25009396)

An underage checker ordered alcohol from an employee. The employee asked for identification but ultimately served alcohol to the underage checker. The employee was issued an administrative citation, which has since been paid.

This incident marks La Casita's second on-sale violation within a 36-month period; the previous violation occurred on August 12, 2023 (RV Case #23023413).

Officers met in person with each noncompliant business to advise them of the upcoming Roseville City Council hearing date. This notice was also provided in writing (Attachment 3). La Casita has since submitted the required training documentation for its staff.

Policy Objectives

The Roseville Police Department seeks Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders for the second violation within thirty-six (36) months. The mandatory minimum penalty shall be a two thousand dollar (\$2,000.00) fine and five day liquor license suspension.

Equity Impact Summary

Upon review of any potential racial equity impacts, staff notes that the citywide compliance checks, subsequent fines, and suspensions are uniform and written into the city code. At this time, staff did not

identify a disproportionate racial equity impact. However, staff recognizes that the financial impact of a violation may be felt differently depending on the size and financial capacity of the business, with smaller or independently owned establishments potentially experiencing greater hardship from the same fine amount.

Budget Implications

Pursuant to City Code Section 302.15, the financial impact shall be a mandatory penalty of a two thousand dollar (\$2,000.00) fine and a five day suspension issued to the on-sale license holder for the second violation within thirty-six (36) months.

Staff Recommendations

Staff recommends Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders.

Requested Council Action

The Roseville Police Department seeks Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders for the second violation within thirty-six (36) months. The mandatory minimum penalty shall be a two thousand dollar (\$2,000.00) fine and five day license suspension.

ROSEVILLE POLICE DEPARTMENT

Alcohol Compliance Checks

March 6, 2025

2025 Alcohol Compliance Checks

The Roseville Police Department conducts a minimum of two citywide alcohol compliance checks each year. The police department conducts compliance checks to ensure Roseville alcoholic beverage license holders are complying with state law and city code. When Roseville began alcohol compliance checks in 1997, the compliance rate was only 70%. Our goal is to achieve 100% compliance.

Required Training

Roseville city code requires all licensees, managers, and employees who serve alcohol to complete a city-approved or city-provided training program.

- The required training shall be completed prior to an employee serving or selling alcohol.
- The training must be completed on an annual basis for all employees who serve or sell alcohol.
- More information on the manager and server training can be found on the police department's [website](#).

Documentation of Training

Your business must maintain documentation you have properly trained every employee who sells or serves alcohol. Per city code, this documentation must be provided to a police officer or designated city employee when requested. Additional penalties may be assessed if you are unable to provide documentation or it is determined an employee did not undergo the required training.

Penalty for Noncompliance

In addition to any criminal penalties, the City Council may suspend a liquor license for up to 60 days, revoke a license, and/or may impose a civil fine on a licensee. The mandatory minimum penalty for the sale of alcoholic beverages to underage individuals is a \$2,000 fine for the license holder and a one day suspension for on-sale establishments. Additional administrative penalties will be imposed when there is a history of violations.

Additional Information

Any questions regarding compliance checks, training, city code, or state laws can be directed to Deputy Chief Joe Adams at 651-792-7275 or joe.adams@cityofroseville.com. Additional information can be found at:

Primary Narrative By Erin Reski, 03/31/25 14:43**compliance checks**

On 3-29-25, myself along with other members of the of the Community Action Team were conducting alcohol compliance checks throughout the city of Roseville. Also, with us was our underage compliance checkers. The checker was in possession of their MNDL which is oriented vertically.

It should be noted the compliance checker's driver's license is orientated vertically indicating they are under 21 years of age. Under 18 and under 21 indicators are displayed below the picture. UNDER 21 UNTIL, with appropriate date, displays as white text in a red bar. This driver's license / identification card orientation was implemented by The Minnesota Department of Public Safety Driver and Vehicle Services in August of 2018. The intent of this particular change was to make it a quick reference that the card holder is a minor.

The checker entered La Casita 1925 West Perimeter. The checker went to the bar located in the business. When she sat down at the bar she asked for a Corono4.5% alcohol bottle. The employee, later identified as Grace Theisen checked the ID and then served the checker a bottle of Corona. The employee that sold the underage checker was identified by via MN DL as Theisen. Once the checker was given the alcohol, they advised me of the sale. I then entered La Casita and asked for the manager/owner who was identified as Timothy Lewis. We then identified myself as a police officers and showed him our Police ID and advised Lewis that Theisen had just served a person under 21. I also spoke with Theisen who admitted that she provided the alcohol to the checker. Lewis also advised me that they did received the noticed about the alcohol compliance checks taking place.

Photos of the purchase receipt and product have been uploaded to evidence.com

I advised both that there will be information sent to them in a few week and that will include information on the fine that will need to be paid.

Nothing further.

Supporting Narrative By Bryan Anderson, 04/08/25 10:28**Administrative Citation Paid**

On 4/2/2025 GRACE THEISEN contacted me via phone about the administrative citation and quested to pay it. I forwarded the Admin citation to her and she advised me she would be paying the following day. On 4/3/2025 I was advised that THEISEN had paid her citation.

Supporting Narrative By Jacob Porras, 04/24/25 14:33**Violation letter delivered**

On 04/24/2025, at approximately 1432 hours, I delivered the alcohol compliance check violation letter to the manager of this business.

ROSEVILLE POLICE DEPARTMENT

Alcohol Compliance Check

April 24, 2025

La Casita
1925 Perimeter Drive W
Roseville, MN 55113

Dear La Casita,

On Monday, May 19th, 2025, the Roseville City Council will discuss your March 29th, 2025 alcohol compliance failure. Staff has recommended Council impose the presumptive penalty of a \$2000.00 fine and five (5) day liquor license suspension for the second violation in 36 months (first occurred on 08/12/2023).

Council discussion of this violation will occur during the "Business Actions" segment of the meeting. A representative from your establishment may appear at the time of the council discussion to offer any information you deem relevant as to whether the Council should deviate from the presumptive penalties set forth in the Roseville City Code. If you choose not to appear at this meeting, the City Council will act without any input from your business.

Summary of Violation:

March 29, 2025: An employee sold an underage compliance buyer alcohol after checking for and reviewing identification. This violation was confirmed by a plain clothing police officer (ref Police Incident 25009396).

August 12, 2023: An employee sold an underage compliance buyer alcohol without asking for identification. This violation was confirmed by a plain clothing police officer (ref Police Incident 23023413).

Please be advised if another violation should occur, further penalties will be invoked. Also, I will need copies of your training records. Please email the records to joe.adams@cityofroseville.com. If you have any questions, you can reach me at 651-792-7275.

Sincerely,

Joe Adams
Deputy Chief of Police

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 7.d.

Department Approval

City Manager Approval

Item Description: Consider Presumptive Penalty Approval - 2025 Alcohol Compliance Check (Centro)

1
2 **Background**

3 In 2025, all businesses holding a City of Roseville liquor license received a letter in the spring
4 announcing that two citywide alcohol compliance checks would be conducted before the end of the
5 calendar year (Attachment 1). The letter also included information regarding the Roseville City
6 Ordinance mandating a liquor licensee training program and outlining penalties for noncompliance.

7 This report pertains to the first round of alcohol compliance checks, conducted in March 2025.

8 On March 29, 2025, an underage compliance checker entered various establishments licensed to sell
9 alcohol in Roseville to conduct compliance checks. Following the checks, multiple businesses were
10 found to be noncompliant (Attachment 2).

11 **Centro (Case #25009403)**

12 An underage checker ordered alcohol from an employee. The employee asked for identification but
13 ultimately served alcohol to the underage checker. The employee was issued an administrative
14 citation, which has since been paid.

15 This incident is Centro's first on-sale violation within a 36-month period.

16 Officers met in person with each noncompliant business to advise them of the upcoming Roseville
17 City Council hearing date. This notice was also provided in writing (Attachment 3). Centro has since
18 submitted the required training documentation for its staff.

19
20
21 **Policy Objectives**

22 The Roseville Police Department seeks Council approval to issue and administer the presumptive
23 penalty pursuant to City Code Section 302.15, for on-sale license holders for the first violation within
24 thirty-six (36) months. The mandatory minimum penalty shall be a two thousand dollar (\$2,000.00) fine
25 and one day liquor license suspension.
26

27 **Equity Impact Summary**

28 Upon review of any potential racial equity impacts, staff notes that the citywide compliance checks,
29 subsequent fines, and suspensions are uniform and written into the city code. At this time, staff did not
30 identify a disproportionate racial equity impact. However, staff recognizes that the financial impact of a

violation may be felt differently depending on the size and financial capacity of the business, with smaller or independently owned establishments potentially experiencing greater hardship from the same fine amount.

Budget Implications

Pursuant to City Code Section 302.15, the financial impact shall be a mandatory penalty of a two-thousand dollar (\$2,000.00) fine and a one-day license suspension issued to the on-sale license holder for the first violation within thirty-six (36) months.

Staff Recommendations

Staff recommends Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders.

Requested Council Action

The Roseville Police Department seeks Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders for the first violation within thirty-six (36) months. The mandatory minimum penalty shall be a two-thousand dollar (\$2,000.00) fine and a one-day license suspension.

4 announcing that two citywide alcohol compliance checks would be conducted before the end of the
5 calendar year (Attachment 1). The letter also included information regarding the Roseville City
6 Ordinance mandating a liquor licensee training program and outlining penalties for noncompliance.

7 This report pertains to the first round of alcohol compliance checks, conducted in March 2025.

8 On March 29, 2025, an underage compliance checker entered various establishments licensed to sell
9 alcohol in Roseville to conduct compliance checks. Following the checks, multiple businesses were
10 found to be noncompliant (Attachment 2).

11 **Gamezenter (Case #25009381)**

12 An underage checker ordered alcohol from an employee. The employee asked for identification but
13 ultimately served alcohol to the underage checker. The employee was issued an administrative
14 citation, which has since been paid.

15 This incident is Gamezenter's first on-sale violation within a 36-month period.

16 Officers met in person with each noncompliant business to advise them of the upcoming Roseville
17 City Council hearing date. This notice was also provided in writing (Attachment 3). Gamezenter has
18 since submitted the required training documentation for its staff.

19
20
21 **Policy Objectives**

22 The Roseville Police Department seeks Council approval to issue and administer the presumptive
23 penalty pursuant to City Code Section 302.15, for on-sale license holders for the first violation within
24 thirty-six (36) months. The mandatory minimum penalty shall be a two thousand dollar (\$2,000.00) fine
25 and one day liquor license suspension.
26

27 **Equity Impact Summary**

28 Upon review of any potential racial equity impacts, staff notes that the citywide compliance checks,
29 subsequent fines, and suspensions are uniform and written into the city code. At this time, staff did not
30 identify a disproportionate racial equity impact. However, staff recognizes that the financial impact of a

violation may be felt differently depending on the size and financial capacity of the business, with smaller or independently owned establishments potentially experiencing greater hardship from the same fine amount.

Budget Implications

Pursuant to City Code Section 302.15, the financial impact shall be a mandatory penalty of a two-thousand dollar (\$2,000.00) fine and a one-day license suspension issued to the on-sale license holder for the first violation within thirty-six (36) months.

Staff Recommendations

Staff recommends Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders.

Requested Council Action

The Roseville Police Department seeks Council approval to issue and administer the presumptive penalty pursuant to City Code Section 302.15, for on-sale license holders for the first violation within thirty-six (36) months. The mandatory minimum penalty shall be a two-thousand dollar (\$2,000.00) fine and a one-day license suspension.

ROSEVILLE POLICE DEPARTMENT

Alcohol Compliance Checks

March 6, 2025

2025 Alcohol Compliance Checks

The Roseville Police Department conducts a minimum of two citywide alcohol compliance checks each year. The police department conducts compliance checks to ensure Roseville alcoholic beverage license holders are complying with state law and city code. When Roseville began alcohol compliance checks in 1997, the compliance rate was only 70%. Our goal is to achieve 100% compliance.

Required Training

Roseville city code requires all licensees, managers, and employees who serve alcohol to complete a city-approved or city-provided training program.

- The required training shall be completed prior to an employee serving or selling alcohol.
- The training must be completed on an annual basis for all employees who serve or sell alcohol.
- More information on the manager and server training can be found on the police department's [website](#).

Documentation of Training

Your business must maintain documentation you have properly trained every employee who sells or serves alcohol. Per city code, this documentation must be provided to a police officer or designated city employee when requested. Additional penalties may be assessed if you are unable to provide documentation or it is determined an employee did not undergo the required training.

Penalty for Noncompliance

In addition to any criminal penalties, the City Council may suspend a liquor license for up to 60 days, revoke a license, and/or may impose a civil fine on a licensee. The mandatory minimum penalty for the sale of alcoholic beverages to underage individuals is a \$2,000 fine for the license holder and a one day suspension for on-sale establishments. Additional administrative penalties will be imposed when there is a history of violations.

Additional Information

Any questions regarding compliance checks, training, city code, or state laws can be directed to Deputy Chief Joe Adams at 651-792-7275 or joe.adams@cityofroseville.com. Additional information can be found at:

Primary Narrative By Jacob Porras, 03/29/25 17:20

Alcohol Compliance check-Fail

On 02/29/2025 at approximately 1440 hours, an underage compliance checker employed with the Roseville Police department entered 1975 County Road B2 (Gamezenter).

The checker requested to purchase an alcoholic beverage from an employee (identified via MN Drivers License as Josiah Bruce Northey). Northey checked the ID of the underage compliance checker, and served her one beer.

It should be noted that the compliance checker has a vertically oriented drivers license indicating that they are under 21 years of age. There is also a red bar that displays in text "Under 21 Until (Date of 21st Birthday)". The card orientation was implemented in August of 2018, and is designed as a quick reference that the cardholder is a minor.

After being informed by the checker via texts message, myself and Officer Tanis spoke to Northey who admitted to serving her the drink. Northey stated he compared the birthday on the compliance checkers card to his own birthday when he requested the ID. Northey also said that he was going to take the drink back once he realized the mistake.

The manager refunded our compliance checker the \$10 bill she used to purchase the beer. Officer Tanis photographed the beer, receipt, and change. The photographs were uploaded to evidence.com

Officer Tanis informed the Manager and Northey of the upcoming steps regarding fines that Northey and the business would be receiving.

Nothing further.

Letter delivered

On 04/24/2025, at approximately 1426 hours, I delivered the alcohol compliance check violation letter to the manager at this business.

ROSEVILLE POLICE DEPARTMENT
Alcohol Compliance Check

April 24, 2025

GameZenter
1975 County Road B2 W
Roseville, MN 55113

GameZenter,

On Monday, May 19th, 2025, the Roseville City Council will discuss your March 29th, 2025 alcohol compliance failure. Staff has recommended Council impose the presumptive penalty of a \$2000.00 fine and one (1) day liquor license suspension for the first violation in 36 months.

Council discussion of this violation will occur during the "Business Actions" segment of the meeting. A representative from your establishment may appear at the time of the council discussion to offer any information you deem relevant as to whether the Council should deviate from the presumptive penalties set forth in the Roseville City Code. If you choose not to appear at this meeting, the City Council will act without any input from your business.

Summary of Violation:

March 29, 2025: An employee sold an underage compliance buyer alcohol after checking for and reviewing identification. This violation was confirmed by a plain clothing police officer (ref Police Incident 25009381).

Please be advised if another violation should occur, further penalties will be invoked. Also, I will need copies of your training records. Please email the records to joe.adams@cityofroseville.com. If you have any questions, you can reach me at 651-792-7275.

Sincerely,

Joe Adams
Deputy Chief of Police

ROSEVILLE

Department Approval

City Manager Approval

Item Description: Consider Presumptive Penalty Approval - 2025 Tobacco Compliance Check (Noble Tobacco)

1
2 **Background**

3 In 2025, all businesses holding a City of Roseville tobacco license received a letter in the spring
4 announcing that two citywide compliance checks would be conducted before the end of the calendar
5 year (Attachment 1).

6 This report pertains to the first round of compliance checks, conducted in March 2025.

7 On March 29, 2025, an underage compliance checker entered various establishments licensed to sell
8 tobacco in Roseville to conduct compliance checks. Following the checks, multiple businesses were
9 found to be noncompliant (Attachment 2).

10 **Noble Tobacco (Case #25009319)**

11 An underage checker ordered tobacco from an employee. The employee asked for identification but
12 ultimately provided tobacco to the underage checker. The employee was issued an administrative
13 citation, which has since been paid.

14 This incident marks Noble Tobacco's second sale violation within a 36-month period; the previous
15 violation occurred on August 11, 2023 (RV Case #23023244).

16 Officers met in person with each noncompliant business to advise them of the upcoming Roseville
17 City Council hearing date. This notice was also provided in writing (Attachment 3).

18
19
20 **Policy Objectives**

21 The Roseville Police Department seeks Council approval to issue and administer the presumptive
22 penalty pursuant to City Code Section 306.09, for tobacco products - license holders for the second
23 violation within thirty-six (36) months. The mandatory minimum penalty shall be a two-thousand dollar
24 (\$2,000.00) fine and three-day tobacco license suspension.
25

26 **Equity Impact Summary**

27 Upon review of any potential racial equity impacts, staff notes that the citywide compliance checks,
28 subsequent fines, and suspensions are uniform and written into the city code. At this time, staff did not
29 identify a disproportionate racial equity impact. However, staff recognizes that the financial impact of a
30 violation may be felt differently depending on the size and financial capacity of the business, with smaller

or independently owned establishments potentially experiencing greater hardship from the same fine amount.

Budget Implications

Pursuant to City Code Section 306.09, the financial impact shall be a mandatory penalty of a two thousand dollar (\$2,000.00) fine and a three-day license suspension issued to the tobacco license holder for the second violation within thirty-six (36) months.

Staff Recommendations

Staff recommends Council approval to issue and administer the presumptive penalty pursuant to City Code Section 306.09, for tobacco license holders.

Requested Council Action

The Roseville Police Department seeks Council approval to issue and administer the presumptive penalty pursuant to City Code Section 306.09, for tobacco license holders for the second violation within thirty-six (36) months. The mandatory minimum penalty shall be a two-thousand dollar (\$2,000.00) fine and a three-day license suspension.

March 7, 2025

ATTN: MANAGER

Please thoroughly review the following information as it pertains to tobacco compliance checks conducted by the Roseville Police Department.

Please review the state statute relating to sales of tobacco products to underage persons:

Minnesota Statute Chapter 609.685 SALE OF TOBACCO TO PERSONS UNDER AGE 21 Subdivision. 1a. Penalty to sell or furnish. (a) Any person 21 years of age or older who sells, gives, or otherwise furnishes tobacco, tobacco-related devices, or electronic delivery devices to a person under the age of 21 years is guilty of a petty misdemeanor for the first violation. Whoever violates this subdivision a subsequent time within five years of a previous conviction under this subdivision is guilty of a misdemeanor.

The civil penalties for underage tobacco sales are set forth in the Roseville City Code. These penalties vary depending upon whether it is a first time violation, a second time violation, a third time violation, etc. **The mandatory minimum penalty (imposed upon the licensee) for the sale of tobacco products to underage individuals is a \$1,000 fine.**

These penalties are civil in nature. Please be aware criminal penalties may also be imposed for violations of the Ordinance.

The Roseville Police Department will conduct a minimum of two citywide compliance checks in 2025. Please remind your employees of their legal and moral responsibility not to sell tobacco products to anyone under the age of 21.

Once again, we encourage you to review Roseville City Code, Chapter 306. If you have any questions, please contact Deputy Chief Joe Adams at 651-792-7275.

Sincerely,

Erika Scheider
Chief of Police

Primary Narrative By Philip Tanis, 03/31/25 13:13

Compliance Check-Tobacco Violation

On 3/29/2025 myself along with other members of the of the Community Action Team were conducting tobacco compliance checks throughout the city of Roseville. Also, with us was our underage compliance checkers. The checker was in possession of their MNDL which is oriented vertically.

It should be noted the compliance checker's driver's license is orientated vertically indicating they are under 21 years of age. Under 18 and under 21 indicators are displayed below the picture. UNDER 21 UNTIL, with appropriate date, displays as white text in a red bar. This driver's license / identification card orientation was implemented by The Minnesota Department of Public Safety Driver and Vehicle Services in August of 2018. The intent of this particular change was to make it a quick reference that the card holder is a minor.

The checker entered Noble Tobacco located at 1681 Rice St. The checker went to the checkout located in the business. When she made contact with the employee, a male, later identified via his Moroccan ID card as Stitou Houssam, asked her what she would like. the checker requested Marlboro shorts, Houssam looked over the ID and then handed it back to the checker. The employee then completed the sale for the cigarettes. Once the checker was given the cigarettes, they left the store and returned to my unmarked squad car in the parking lot. I then entered Noble Tobacco and spoke to Houssam. I advised Houssam that he had just served a person under 21. I spoke with Houssam who stated he checked the ID but did not do the math correctly, and observed she was born in 2004 and thought she was of legal age. I advised Houssam that the Driver's License the checker had provided was vertical and it also stated they were under 21 years of age.

Photos of the purchase receipt and product have been uploaded to evidence.com

I advised both that there will be information sent to them in a few weeks and that will include information on the fine that will need to be paid.

Nothing further.

Attachments:

1. StreetLight Policy Adopted 3.4.24
2. Streetlight Policy Presentation 3.4.24

City of Roseville
Streetlight Policy
March 4, 2024

I. Purpose and Need for Policy

The installation of streetlights provides a safer environment for the community in regard to traffic and pedestrian safety. Due to limited funds and varying viewpoints of individual property owners, as to the desirability of such installations, the City has established this policy to define its streetlighting program.

II. Policy Statement

The City shall adopt and utilize the following standard policy for the installation, maintenance, and funding of streetlighting. It is important to establish a consistent, equitable approach, relating to the method of selecting the locations for streetlights, to insure fair and reasonable treatment for property owners. Streetlighting in all areas of the City shall follow the requirements detailed below.

III. Conditions

- All new lights installed shall be full cutoff lights.
- All new streetlighting must be consistent with the adopted City standards.
- Variations to the City standard streetlight types will be allowed only by City Council action. Extra costs associated with variations to the City standard, both installation and ongoing operation and maintenance costs, will be the responsibility of the benefiting properties.
- All streetlighting designs shall consider industry standards, safety, uniformity, lighting intensity and cost.
- Qualifying requests for streetlights may be scheduled for installation in a subsequent year if the City determines sufficient funds are not available in the current City budget.
- On projects where pedestrian level lighting is installed, a continuous level of light should be maintained for the design. Spacing would be determined applying engineering standards. Spacing typically results in poles every 90 to 120 feet.

IV. Streetlight Districts

To develop a rational approach to streetlight installation, the City Council in 1957, established a policy to install streetlights at no assessment to ensure that the lights would be installed where most needed and wanted.

Since the need for lighting varies by adjacent use, different standards will apply as follows.

A. Standard District

- This standard be used for all areas in the City unless they are defined as Commercial, City Special or Enhanced districts as shown in Appendix A,
- Procedure

- If the following conditions are met, the City will install streetlights at the following locations:
 - The location is at the intersection of two streets, OR
 - The location is at the end of a cul-de-sac, OR
 - The location is on a severe curve, either vertically or horizontally, OR
 - The location is at a marked pedestrian crosswalk.
- City staff will notify property owners within 300 feet of the new light location where lighting will be installed at least three weeks prior to the installation of the light.
- Mid-block lights are desirable and should be considered for placement if the spacing between existing lights is greater than 600 feet. If the above conditions are met, an individual property owner may circulate a petition in the neighborhood to determine if the light is desired (particularly by those property owners directly adjacent to the proposed light). If 60% consensus is built with property owners within 150 feet of the proposed light, the City staff will work with the electric utility company to install the light.
- Streetlight Design
 - Streetlight Type: LED Cobrahead Cutoff
 - Pole Type:
 - Wooden if available
 - Fiberglass or aluminum if a pole needs to be installed.
- Funding
 - The City will fund installation and maintenance of lights within the Standard District.
- B. Business District
 - This standard will be applied to all areas identified as Business Districts as shown in Appendix A
 - Procedure
 - Property owners that would like street segments to be added to the Business Lighting District shall petition the City Council. The Council will determine if the street will be added to the Business District.
 - Over 60% of benefitting property owners shall petition the City to be considered.
 - Only streets that are non-single family residential will be considered.
 - Streetlight Design
 - Streetlight Type: LED Cobrahead Cutoff
 - Pole Type:
 - Wooden if available
 - Fiberglass or aluminum if a pole needs to be installed.

- This lighting would be a brighter, higher quality of lighting. Lights would be designed per engineering standards typically resulting in poles every 250-300 feet. As a minimum standard, all intersections, marked crosswalks, and horizontal and vertical curves would have streetlights.
- Funding
 - Initial costs to install lighting to Business District standards will be assessed to adjacent property owners.
 - Maintenance and future replacement costs will be paid by the City.
- C. City Special District
 - City Special Districts are as shown in Appendix A.
 - This type of lighting will be for special areas as determined by the City Council.
 - This type of lighting may include streetlighting or pedestrian level lighting or decorative style lighting.
 - The lighting standards for each Special District shall be designed for the specific purpose and need of the district.
 - Funding
 - The City will fund installation and maintenance of lights within the City Special District.
- D. Enhanced District
 - When property owners want a different location, design, or number of requested lights above the Standard Streetlight district standards, property owners may request that the City undertake an Enhanced District project.
 - Procedure
 - When a request for an Enhanced District project is received, City staff, working with property owners, will determine the boundaries of the project. Requests for streetlighting can be initiated through a *petition process* that includes signatures representing at least 60% of the property in the project area.
 - Petition Process
 - Upon receipt of a petition signed by the owners of sixty percent (60%) of the property area within the proposed project limits, City staff will prepare a preliminary report detailing the streetlight types, location, costs, and proposed assessments.
 - The City Council will be asked to call and hold a public hearing pursuant to Minnesota Statutes, Section 429.031.
 - If the project goes to the public hearing, but is not ordered forward, subsequent petitions will not be undertaken for the same project area or any part of the project area for a two (2) year period beginning on the hearing date. The exception to this requirement would be if the City initiates a street reconstruction project in the area.
 - Funding
 - The additional costs of an Enhanced District project shall be assessed to the benefiting property owners according to City Assessment Policy. All

properties within 150 feet (Street frontage) of each light shall be considered for assessment. City staff shall determine the number and locations of lights that could have been installed under the Standard District section of this policy. The maintenance cost for these lights will be deducted from the overall project cost.

- A summary of the assessable cost shall be as follows:
 - Cost of installation of enhanced streetlights
plus Cost of Operation, Maintenance (pro-rated for 25 years)
plus Administrative costs
minus “Standard District” maintenance cost (if applicable)
 = total assessable cost.
- Xcel energy provides a 25-year warranty for the streetlights that they install. This is included in the City’s monthly charge. At the end of this period the City will evaluate the maintenance needs for the “enhanced” areas. A reconstruction project will be considered where the new operation and maintenance costs for the next 25 years will be proposed to be assessed to the benefiting properties.

V. **Development/ Redevelopment Streetlights**

The Developer of any proposed subdivision or redevelopment area, whether residential, business or other may elect to install streetlights as a part of their overall development plans. Approval and implementation shall conform to this policy. Developers shall meet the Streetlight Standard District criteria unless they apply to meet other district criteria. Installation of public streetlights shall be included as part of the development agreement.

A. Procedure

- The developer shall submit a streetlighting plan for review and approval by the City Engineer.
- For new residential subdivisions and business areas, the developer shall pay the operation and maintenance costs to the electric utility company until the City accepts the streetlighting system.
- Acceptance of the new streetlights must be requested in writing by the developer, along with a certification from the electric utility company that it was installed according to their specifications.

B. Funding

- The costs for installation, operation, and maintenance of streetlights in developments will be paid for by the developer according to the provisions set forth in this Policy.
- The operation and maintenance costs for an Enhanced District project in new developments shall be paid for by the new development in perpetuity. These costs shall be determined and included in the Development Contract. The costs shall either be paid up front by the developer or assessed to the property owners. The total cost shall be the “enhanced” operation and maintenance cost minus the City’s Standard District contribution. The City’s basic

contribution shall be determined based on the procedure outlined in section IV.A. of this policy.

VI. Authority

It is implemented through the provision in each year's budget to pay for the cost of power and maintenance of the existing system and funds for additional new lights. The Public Works Department shall be responsible for the implementation of this policy.

Streetlight Districts

- Commercial (Business/Retail; Heavy Industrial; Institutional; Light Industrial; Office)
- Residential (Manufactured Housing Park; Common Areas; Single Family Attached; Single Family Detached; Multi Family)
- City Special District
- Business District
- Enhanced District

Streetlight Policy

Public Works Department

Council Meeting

March 4, 2024

Streetlight Policy

Background

2003 – Current Policy

- Standard light – Wooden pole with Cobrahead Cutoff
- Procedure
 - If 100% consensus of residents within 150 feet of proposed light, city will install light at city expense if the following conditions are met
 - Overhead electric available and no more than one new wooded pole is needed, AND
 - Intersection of two streets, OR
 - End of a cul-de-sac, OR
 - Greater than 600' from existing lights
 - On a severe curve, OR
 - At a dedicated pedestrian crosswalk
- Funding – Accomplished administratively with no costs to individual property owners
- Enhanced Streetlighting Projects
 - Establishes a petition procedure and cost structure for enhanced lighting
- Development/Redevelopment Streetlights
 - Establishes procedure, if standard streetlighting, city will take over upon project acceptance and pay for O&M
 - If enhanced streetlighting, the operation and maintenance shall be paid by the development in perpetuity
 - Costs determined by enhanced cost minus city basic contribution and included in the development contract

Streetlight Policy

Background

Existing Lighting

- Total Lights – 1,458
 - Xcel Owned – 1,027
 - Xcel Leased becoming City Owned - 124
 - City Owned - 307
 - Roadway - 68
 - Parking Lot - 17
 - Pedestrian - 202
 - Monument – 6
 - Wall Pack - 12
 - Sign - 2

Includes City Campus' road and parking lot lights. Does not include parks' parking lots.

Streetlight Policy

Proposed Changes

Differentiate Lighting Areas

- Establish lighting policy for each type of area
 - Standard
 - Keep locations the same
 - Business (**New**)
 - Modify spacing standard to have higher level lighting
 - Recommend 200-250' spacing
 - Would define areas.
 - Enhanced lighting
 - Requirements generally the same.
 - City Special District
 - These would be for City established districts
 - Civic Campus, Larpenteur, Twin Lakes, etc.

Streetlight Policy

Proposed Changes

Standard Lighting Districts

- All intersections, curves and marked crosswalks
- ~120 new installations
 - Some existing poles could be moved or modified
- ~\$16,000 increase in annual costs
- Installed over the next 3-5 years
- Would notify adjacent residents within 300' of the light ahead of installation.

Streetlight Policy

Proposed Changes

Midblock Lights

- Reduced petition requirement to 60% of adjacent owners within 150 feet of the proposed light.
 - Matches the enhanced district petition standard

Removed lighting standards from the policy

- These would be established as an engineering standard to keep up with standards better.

Streetlight removal procedure

- Did not put a procedure into the policy for removal of streetlights.

- Light present
- Intersection – no light
- Curve or Cul-de-sac – no light
- Midblock – no light
- Light present

Streetlight Policy

Budget Impacts

Funding/Budget

- 2024 Budget - General Levy
 - Streetlighting Fund - \$225,000
 - Utilities - \$210,000
 - Pays for electrical charges
 - Metered and non-metered
 - **Would need to increase at least \$16,000 for the new lights at intersections/crosswalks.**
 - Contract Maintenance - \$15,000
 - For knockdowns, etc.
 - Streetlight Replacement
 - CIP \$52,500
 - To replace city lighting systems and Xcel lease contract lighting systems when leases expire

Knockdown on County Road C

Streetlight Policy

Budget Impacts

Cost of Lights

- Xcel Owned
 - Non-Metered
 - Wood Poles - \$10-20/light/month
 - Rate depends on wattage
 - Includes all costs
 - 30' fiberglass poles with LED cobra heads - \$21/light/month
 - Plus initial install costs
 - City Owned/Xcel Lease Contract
 - Metered – only includes electricity
 - Lights – City needs to budget to replace poles/fixtures
 - Decorative
 - \$5,000-\$10,000 per light
 - Commercial
 - ~\$3,500 per light

Owasso Hills Drive

Streetlight Policy

Example Proposed Replaced Areas

Centerpoint Drive

- Lease expired in 2024
- Scheduled replacement in 2028
 - Reduce lighting from 23-12
 - ~250' spacing
 - \$42,000 up front cost
 - \$21/Light/Month
- Xcel owned and maintained
- Pay portion up front and monthly maintenance charge. No expiration date
- Proposed Business District

Example Proposed Replaced Areas

- Installed by developer, 1996-1998.
- Xcel leases expired between 2021-2023.
- Decorative lights with higher than normal lighting standard
- Scheduled replacement in 2026
- Staff proposes reaching out to owners to see if they want enhanced lighting standard to keep lights as is
- If residents don't want enhanced lighting, would go with standard lighting similar to other residential areas.
 - Reduces lights from 38-22
 - Likely would be aluminum poles with LED cobraheads due to buried electric.

Questions?

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 10.a.

Department Approval

City Manager Approval

Item Description: Approval of Payments

Background

State Statute requires the City Council to approve all payment of claims. The following summary of claims has been submitted to the City for payment.

Check Series #	Amount
ACH Payments	\$217,776.10
112578 – 112632	\$566,138.50
Total	\$783,914.60

A detailed report of the claims is attached. The City Staff has reviewed the claims and considers them to be appropriate for the goods and services received.

Policy Objectives

Under MN State Statute, all claims are required to be paid within 35 days of receipt.

Equity Impact Summary

Local governments play an important role in building racially equitable and inclusive regional economies. Payments to vendors contribute to the local economy by supporting businesses within the community, including those owned by people of color. Ensuring equitable distribution of contracts and payments among vendors, particularly minority-owned businesses, can help promote economic equity. This supports the broader goals of reducing racial economic disparities as well as Roseville's aspiration to have a community that is economically prosperous with a stable and broad tax base and vibrant small businesses.

Budget Implications

All expenditures listed above have been funded by the current budget, from donated monies, or from cash reserves.

Staff Recommendations

Staff recommends approval of all payment of claims.

34
35
36
37
38

Requested Council Action

Motion to approve the payment of claims as submitted.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 10.b.

Department Approval

City Manager Approval

Item Description: Approve General Purchases Exceeding \$10,000 or Sale of Surplus Items

Background

City Code section 103.05 establishes the requirement that all general purchases or contracts in excess of \$10,000 be separately approved by the City Council, independent of the budget process or other statutory purchasing requirements. In addition, State Statutes generally require the Council to authorize the sale of surplus vehicles and equipment. *Attachment 1* includes a list of items submitted for Council review and approval.

Staff will note that, unless noted otherwise, all items contained in this report were previously identified and included in the adopted budget or Capital Improvement Plan (CIP) submitted for Council review during the most recent budget cycle. This information package included a CIP Project/Initiative summary which identified the type of purchase, estimated cost, funding source, and other supporting narrative. Where applicable, these project/initiative summaries are included with *Attachment 2*.

Policy Objectives

Required under City Code 103.05.

Equity Impact Summary

Payments to vendors contribute to the local economy by supporting businesses within the community, including those owned by people of color. Ensuring equitable distribution of contracts and payments among vendors, particularly minority-owned businesses, can help promote economic equity. This supports broader goals of reducing racial economic disparities as well as Roseville's aspiration to be a community that is economically prosperous with a stable and broad tax base and vibrant small businesses.

Budget Implications

Funding for all items is provided for in the current budget or through pre-funded capital replacement funds.

Staff Recommendations

Staff recommends the City Council approve the submitted purchases or contracts for service and, where applicable, authorize the sale/trade-in of surplus items.

38
39
40
41
42
43
44

Requested Council Action

Motion to approve the submitted purchases or contracts for services and, where applicable; the sale/trade-in of surplus items.

Prepared by: Phil Weix - Assistant Finance Director

Attachments: 1. Over \$10,000 Report Items for Purchase or Sale_Trade-in

45

General Purchases or Contracts

Division	Vendor	Description	Key	Budget Amount	P.O. Amount	Budget / CIP
Parks & Recreation (Skating Center)	Apex Mechanical	Heat Pump	(a)	\$ 50,000	\$ 36,816	2025 CIP

Key

- (a) The replacement of the Heat Pump that feeds the Raider Room and bathrooms has failed and is non-functional. The pump was installed in 2008 and beyond its useful life and planned to be replaced in the 2027 CIP but was moved up to 2025 due to the immediate need. The Skating Center will defer maintenance on the Fireside Heat Pump (\$45,000) or the Rose Room Heat Pump (\$85,000) to offset the additional expense.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 10.c.

Department Approval

City Manager Approval

Item Description: Approve Proposal for Construction Materials Testing for the 2025 Pavement Management Project (25-04)

Background

The 2025 Pavement Management Project consists of street mill and overlay, full depth reclamation (reclaim), curb repairs, and minor utility work. See Attachment 1 for the overall street segment map in the 2025 Pavement Management Project.

The annual pavement management project provides maintenance of the City's street system as identified in the Capital Improvement Plan (CIP). Based on past practice, the City Council has awarded the pavement management contract to the lowest responsible bidder, North Valley, Inc., on May 5, 2025.

Materials testing services are required to help ensure quality materials and workmanship for the project are in compliance with the schedule of material controls. As such, the City requested quotes from geotechnical firms with experience in construction material testing. Two quotes were received and are summarized below:

Contractor	Bid Total
Braun Intertec	\$24,927.00
American Engineering Testing (AET)	\$26,945.25

Braun's proposal is included as Attachment 2. Braun has done the testing on previous City projects, and their work has been acceptable.

Policy Objectives

It is City policy to keep City-owned infrastructure in good operating condition and to keep systems operating in a safe condition.

Equity Impact Summary

The overall project should benefit the City as a whole with no negative impacts to historically disadvantaged communities.

Budget Implications

Materials testing is budgeted within the anticipated engineering cost in the approved 2025 Pavement Management Project. Costs related to testing will be paid out of the street fund. This project is proposed to be completed by October 17, 2025.

Staff Recommendations

Staff recommends approval of the quote for the 2025 Pavement Management Project construction materials testing in the amount of \$24,927.00 to Braun Intertec.

Requested Council Action

Approve proposal for professional services with Braun Intertec for construction materials testing for the 2025 Pavement Management Project in the amount of \$24,927.00.

Prepared by: Erik Henriksen, Assistant City Engineer

Proposal QTB214784

Erik Henriksen, PE
City of Roseville
2660 Civic Center Drive
Roseville, MN 55113

Re: Proposal for Construction Materials Testing Services
City of Roseville 2025 Pavement Management Project
City Project No. 25-04
Various residential streets in Roseville, Minnesota

Dear Mr. Henriksen:

Braun Intertec Corporation is pleased to submit this proposal to provide construction materials testing services for the City of Roseville 2025 Pavement Management Project in Roseville, Minnesota.

We have completed the Pavement and Geotechnical Evaluation Report for this project, so we have a unique understanding of the site and construction challenges. We can aid the construction team by applying this experience and transferring our knowledge developed during the design phase which will provide professional continuity to the construction. Our work on the project to date gives us familiarity with the project team and design development, which allows us to understand some of the considerations used when developing the project's design.

Our Understanding of Project

This project will include two different pavement management techniques, a mill and overlay and a full depth reclamation. The first technique is a mill and overlay of various residential streets with new bituminous pavement including: Snelling Avenue North, Snelling Curve, Rose Place, Pascal Street, Arona Street, Simpson Street, Sextant Avenue, Transit Avenue, Holton Street, Albert Street, Sheldon Street, County Road B2 Frontage Road, Brooks Avenue, Woodlyn Avenue, Farrington Court, Galtier Street, and Marion Street. Streets that will be included in the reclamation portion of the project include Woodbridge Street, Woodlyn Avenue and Iona Lane. This technique project will consist of reclaiming the existing aggregate base and apparent aggregate base into the new base material before a bituminous pavement is placed. There will be spot concrete curb and gutter and driveways replacements throughout the project as well.

Available Project Information

This proposal was prepared using the following documents and information.

- Project plans (unsigned) and specifications prepared by The City of Roseville, dated March 31, 2025.

AA/EOE

- Pavement and Geotechnical Evaluation Report (B2410777) prepared by Braun Intertec, dated February 5, 2025.
- Email correspondence with Erik Henriksen (City of Roseville) regarding project testing requirements.

Scope of Services

Services are performed under the direction of a licensed professional engineer. Testing services will be performed on an on-call, as-needed basis as requested and scheduled by you or your on-site project representative. After reviewing available information to determine compliance with project plans and/or specifications and other design or construction documents, our scope of services for the project will be limited to the tasks defined below.

Soil Related Services

- Sample and test full depth reclamation materials for compliance with the project documents. This task includes laboratory gradation testing of these materials.
- Perform MnDOT dynamic cone penetrometer (DCP) tests on full depth reclamation material.

Concrete Related Services

- Sample and test fresh concrete associated with pavement and/or curb-and-gutter for compliance with the project documents and cast test cylinders for laboratory compressive strength testing. We assume that we will be able to appropriately dispose of excess concrete (and associated wash water) on site at no additional cost to us.
- Measure and report the compressive strength of the concrete test cylinders for compliance with the project documents. A set of three cylinders will be tested at 28 days for each set cast. If field cure cylinders are requested, each additional cylinder will be charged at the unit price listed in our cost estimate.

Bituminous Related Services

- Sample and test bituminous pavement materials for compliance with the project documents. This task includes rice specific gravity, gyratory density, fine aggregate angularity, percent crushed, asphalt content and extracted aggregate gradation tests of the bituminous.
- Measure the in-place wet density of the fresh bituminous with a nuclear density gauge to observe and document the contractor's roll pattern.
- Obtain cores and measure the thickness and density of the compacted bituminous pavement by the core method for compliance with the project documents. We assume the bituminous contractor will cut the cores and the full time inspector will choose the core locations and provide us with the companion cores after the contractor cuts them.

- (Alternate scope if requested) Mark and observe contractor coring for compliance with project documents.

Consulting, Project Communication and Reporting Services

- Project management, including scheduling of our field personnel.
- Review test reports and communicating with you and the parties you may designate such as the project contractor(s), and other project team members, as needed.
- Transmit test results to the project team on a weekly basis.

Basis of Scope of Work

The costs associated with the proposed scope of services were estimated using the following assumptions. If the construction schedule is modified or the contractor completes the various phases of the project at different frequencies or durations than shown in this proposal, we may need to adjust the overall cost accordingly. The scope of work and number of trips required to perform these services are as shown in the attached table. Notable assumptions in developing our estimate include:

- We assume compaction testing on full depth reclamation material will be performed using the Dynamic Cone Penetration (DCP) method; a minimum of two tests will be conducted each trip with three trips assumed.
- We assume four sets of concrete tests will be required to complete the project.
- We assume your on-site construction observer will observe the test rolling for this project.
- We assume bituminous paving requiring sampling and testing will be completed in 9 days for this project.
- We were requested and have added scope of work to locate and mark bituminous cores for nine trips as alternate #1.
- We assume the project engineer of record will review and approve contractor's quality control submittals and test results.
- You, or others you may designate, will provide us with current and approved plans and specifications for the project. Modification to these plans must also be sent to us so we can review their incorporation into the work.
- We will require a minimum of 24 hours' notice for scheduling inspections for a specific time. Shorter than 24 hours' notice may impact our ability to perform the requested services, and the associated impacts will be the responsibility of others.

If the work is completed at different rates than described above, this proposal should be revised. If the pace of construction is different than described above, this proposal should be revised.

Cost and Invoicing

We will furnish the services described herein for an estimated fee of **\$21,129** for the baseline scope of work, and **\$3,798** for the included alternate scope of work for core locating marking if accepted. **Our estimated costs are based on industry averages for construction production. Depending on the contractor's performance, our costs may be significantly reduced or slightly higher than estimated.** A tabulation showing our estimated hourly and/or unit rates associated with our proposed scope of services is also attached. The actual cost of our services will be based on the actual units or hours expended to meet the requirements of the project documents.

This cost estimate was developed with the understanding that the scope of services defined herein will be required and requested during our normal work hours of 6:00 a.m. to 4:00 p.m., Monday through Friday. Services that we are asked to provide to meet the project requirements or the contractor's construction schedule **outside** our normal business hours will be invoiced using an overtime rate factor. The factor for services provided outside our normal work hours or on Saturday will be 1.25 times the listed hourly rate for the service provided. The factor for services provided on Sunday or legal holidays will be 1.5 times the listed hourly rate for the service provided. We have not included premiums for overtime in our cost estimate; however, we recommend that allowances and contingencies be made for overtime charges based on conversations with the contractor. You will be billed only for services provided on a time and materials basis.

Because our services are directly controlled by the schedule and performance of others, the actual cost may vary from our estimate. It is difficult to project all of the services and the quantity of services that may be required for any project. If services are required that are not discussed above, we will provide them at the rates shown in the attached table or, if not shown, at our current Schedule of Charges. We will invoice you on a monthly basis.

General Remarks

We will be happy to meet with you to discuss our proposed scope of services further and clarify the various scope components.

We appreciate the opportunity to present this proposal to you. After reviewing this proposal, **please sign and return one copy to our office as notification of acceptance and authorization to proceed.** If anything in this proposal is not consistent with your requirements, please let us know immediately. Braun Intertec will not release any written reports until we have received a signed agreement. Also, ordering services from Braun Intertec constitutes acceptance of the terms of this proposal including the attached General Conditions.

The proposed fee is based on the scope of services described and the assumption that our services will be authorized within 30 days and that others will not delay us beyond our proposed schedule.

We include the Braun Intertec General Conditions, which provide additional terms and are a part of our agreement.

To have questions answered or schedule a time to meet and discuss our approach to this project further, please contact Jacob Collins at 612.418.8570 (jacollins@braunintertec.com) or Andrew Valerius at 952.995.2242 or (avalerius@braunintertec.com).

Sincerely,

BRAUN INTERTEC CORPORATION

Alternate #1 Total:					\$3,798.00

SECTION 1: AGREEMENT

1.1 Agreement. This agreement consists of these General Conditions and the accompanying written proposal or authorization ("Agreement"). This Agreement is the entire agreement between Consultant and Client and supersedes all prior negotiations, representations or agreements, either written or oral.

1.2 Parties to the Agreement. The parties to this Agreement are the Braun Intertec entity ("Consultant") and the client ("Client") as described in the accompanying written proposal or authorization. Consultant and Client may be individually referred to as a Party or collectively as the Parties.

SECTION 2: SCOPE OF SERVICES

2.1 Services. Consultant will provide services ("Services") in connection with the project ("Project") which are specifically described in this Agreement. Client understands and agrees that Consultant's Services are limited to those which are expressly set forth in this Agreement.

2.2 Additional Services. Any Services not specifically set forth in the Agreement constitute "Additional Services." Additional Services must be agreed upon in writing by the Parties prior to performance of the Additional Services and may entitle Consultant to additional compensation and schedule adjustments. Additional compensation will be based upon Consultant's then current rates and fees.

SECTION 3: PERFORMANCE OF SERVICES

3.1 Standard of Care. Consultant will perform its professional Services consistent with the degree of care and skill exercised by members of Consultant's profession performing under similar circumstances at the same time and in the same locality in which the professional Services are performed. CONSULTANT DISCLAIMS ALL STATUTORY, ORAL, WRITTEN, EXPRESS, AND IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR PERFORMANCE OF SERVICES IN A GOOD AND WORKMANLIKE MANNER.

3.2 Written Reports and Findings. Unless otherwise agreed in writing, Consultant's findings, opinions, and recommendations will be provided to Client in writing and may be delivered via electronic format. Client agrees not to rely on oral findings, opinions, or recommendations.

3.3 Observation or Sampling Locations. Locations of field observations or sampling described in Consultant's report or shown on Consultant's sketches reference Project plans or information provided by others or estimates made by Consultant's personnel. Consultant will not survey, set, or check the accuracy of those points unless Consultant accepts that duty in writing. Client agrees that such dimensions, depths, or elevations are approximations unless specifically stated otherwise in the report. Client accepts the inherent risk that samples or observations may not be representative of items not sampled or seen and further that site conditions may vary over distance or change over time.

3.4 Project Site Information. Client will provide Consultant with prior environmental, geotechnical and other reports, specifications, plans, and information to which Client has access about the Project site and which are necessary for Consultant to carry out Consultant's Services. Client agrees to provide Consultant with all plans, changes in plans, and new information as to Project site conditions until Consultant has completed its Services.

3.5 Subsurface Objects. To the extent required to carry out Consultant's Services, Client agrees to provide Consultant, in a timely manner, with information that Client has regarding buried objects at the Project site. Consultant will not be responsible for locating buried objects or utilities at the Project site unless expressly set forth in this Agreement, or expressly required by applicable law. Client agrees to hold Consultant harmless, defend, and indemnify Consultant from claims, damages, losses, penalties and expenses (including attorney fees) involving buried objects or utilities that were not properly marked or identified or of which Client had or should have had knowledge but did not timely notify Consultant or correctly identify on the plans Client or others furnished to Consultant. Consultant, from time to time, may hire a third party to locate underground objects or utilities and, unless otherwise expressly stated in this Agreement, such action shall be for the sole benefit of Consultant and in no way will alleviate Client of its responsibilities hereunder.

3.6 Hazardous Materials. Client will notify Consultant of any knowledge or suspicion of the presence of hazardous or dangerous materials present on any Project site or in any sample or material provided to Consultant. Client agrees to provide Consultant with information in Client's possession or control relating to such samples or materials. If Consultant observes or suspects the presence of contaminants not anticipated in this Agreement, Consultant may terminate Services without liability to Client or to others, and Client will compensate Consultant for fees earned and expenses incurred up to the time of termination.

3.7 Supervision of Others. Consultant shall have no obligation to supervise or direct Client's representatives, contractors, or other third parties retained by Client. Consultant has no authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected or used by Client, Client's representatives, contractors, or other third parties retained by Client.

3.8 Safety. Consultant will provide a health and safety program for its employees as well as reasonable personal protective equipment ("PPE") typical for the performance of the Services provided by this Agreement and as required by law. Consultant shall be entitled to compensation for all extraordinary PPE required by Client. Client will provide, at no cost to

Consultant, appropriate Project site safety measures which are necessary for Consultant to perform its Services at the Project location or work areas in connection with the Project. Consultant's employees are expressly authorized by Client to refuse to work under conditions that may, in an employee's sole discretion, be unsafe. Consultant shall have no authority over or be responsible for the safety precautions and programs, or for security, at the Project site (except with respect to Consultant's own Services and those of its subconsultants).

3.9 Project Site Access and Damage. Client will provide or ensure access to the site. In the performance of Services some Project site damage is normal even when due care is exercised. Consultant will use reasonable care to minimize damage to the Project site. Unless otherwise expressly stated in this Agreement, the cost of restoration for such damage has not been included in the estimated fees and will be the responsibility of the Client.

3.10 Monitoring Wells. To the extent applicable to the Services, monitoring wells are Client's property, and Client is responsible for monitoring well permitting, maintenance, and abandonment unless otherwise expressly set forth in this Agreement.

3.11 Contaminant Disclosures Required by Law. Client agrees to make all disclosures related to the discovery or release of contaminants that are required by law. In the event Client does not own the Project site, Client acknowledges that it is Client's duty to inform the owner of the Project site of the discovery or release of contaminants at the site. Client agrees to hold Consultant harmless, defend, and indemnify Consultant from claims, damages, penalties, or losses and expenses, including attorney fees, related to Client's failure to make any disclosure required by law or for failing to make the necessary disclosure to the owner of the Project site.

SECTION 4: SCHEDULE

4.1 Schedule. Consultant shall complete its obligations within a reasonable time and shall make decisions and carry out its responsibilities in a manner consistent with the Standard of Care. Specific periods of time for rendering Services or specific dates by which Services are to be completed are provided in this Agreement. If Consultant is delayed in the performance of the Services by actions, inactions, or neglect of Client or others for whom Client is responsible, by changes ordered in the Services, or by other causes beyond the control of Consultant, including force majeure events, then the time for Consultant's performance of Services shall be extended and Consultant shall receive payment for all expenses attributable to the delay in accordance with Consultant's then current rates and fees.

4.2 Scheduling On-Site Observations or Services. To the extent Consultant's Services require observations, inspections, or testing be performed at the Project site, Client understands and agrees that Client, directly or indirectly through its authorized representative, has the sole right and responsibility to determine and communicate to Consultant the scheduling of observations, inspections, and testing performed by Consultant. Accordingly, Client also acknowledges that Consultant bears no responsibility for damages that may result because Consultant did not perform such observations, inspections, or testing that Client failed to request and schedule. Client understands that the scheduling of observations, inspections, or testing will dictate the time Consultant's field personnel spend on the job site and agrees to pay for all services provided by Consultant due to Client's scheduling demands in accordance with Consultant's then current rates and fees.

SECTION 5: COST AND PAYMENT OF SERVICES

5.1 Cost Estimates. Consultant's price or fees provided for in this Agreement are an estimate and are not a fixed amount unless otherwise expressly stated in this Agreement. Consultant's estimated fees are based upon Consultant's experience, knowledge, and professional judgment as well as information available to Consultant at the time of this Agreement. Actual costs may vary and are not guaranteed or warrantied.

5.2 Payment. Consultant will invoice Client on a monthly basis for Services performed. Client will pay for Services as stated in this Agreement together with costs for Additional Services or costs otherwise agreed to in writing within thirty (30) days of the invoice date. Unless otherwise stated in this Agreement or agreed to in writing, Consultant's costs for all services performed will be based upon Consultant's then current rates, fees, and charges. No retainage shall be withheld by Client. All unpaid invoices will incur an interest charge of 1.5% per month or the maximum allowed by law.

5.3 Other Payment Conditions. Consultant will require Client credit approval and Consultant may require payment of a retainer fee. Client agrees to pay all applicable taxes. Client's obligation to pay for Services under this Agreement is not contingent on Client's ability to obtain financing, governmental or regulatory agency approval, permits, final adjudication of any lawsuit, Client's successful completion of any project, receipt of payment from a third party, or any other event.

5.4 Third Party Payment. Provided Consultant has agreed in writing, Client may request Consultant to invoice and receive payment from a third party for Consultant's Services. Consultant, in its sole discretion, may also require the third party to provide written acceptance of all terms of this Agreement. Neither payment to Consultant by a third party nor a third party's written acceptance of all terms of this Agreement will alter Client's rights and responsibilities under this Agreement. Client expressly agrees that the Agreement contains sufficient consideration notwithstanding Consultant being paid by a third party.

5.5 Non-Payment. If Client does not pay for Services in full as agreed, Consultant may retain work not yet delivered to Client and Client agrees to return all Project Data (as defined in this Agreement) that may be in Client's possession or under Client's control. If Client fails to pay Consultant in accordance with this Agreement, such nonpayment shall be considered a

default and breach of this Agreement for which Consultant may terminate for cause consistent with the terms of this Agreement and without liability to Client or to others. Client will compensate Consultant for fees earned and expenses incurred up to the time of termination. Client agrees to be liable to Consultant for all costs and expenses Consultant incurs in the collection of amounts invoiced but not paid, including but not limited to attorney fees and costs.

SECTION 6: OWNERSHIP AND USE OF DATA

6.1 Ownership. All reports, notes, calculations, documents, and all other data prepared by Consultant in the performance of the Services ("Project Data") are instruments of Consultant's Services and are the property of Consultant. Consultant shall retain all common law, statutory and other reserved rights, including the copyright thereto, of Project Data.

6.2 Use of Project Data. The Project Data of this Agreement is for the exclusive purpose disclosed by Client and, unless agreed to in writing, for the exclusive use of Client. Client may not use Project Data for a purpose for which the Project Data was not prepared without the express written consent of Consultant. Consultant will not be responsible for any claims, damages, or costs arising from the unauthorized use of any Project Data provided by Consultant under this Agreement. Client agrees to hold harmless, defend and indemnify Consultant from any and all claims, damages, losses, and expenses, including attorney fees, arising out of such unauthorized use.

6.3 Samples, Field Data, and Contaminated Equipment. Samples and field data remaining after tests are conducted, as well as field and laboratory equipment that cannot be adequately cleansed of contaminants, are and continue to be the property of Client. Samples may be discarded or returned to Client, at Consultant's discretion, unless within fifteen (15) days of the report date Client gives Consultant written direction to store or transfer the samples and materials. Samples and materials will be stored at Client's expense.

6.4 Data Provided by Client. Electronic data, reports, photographs, samples, and other materials provided by Client or others may be discarded or returned to Client, at Consultant's discretion, unless within 15 days of the report date Client gives Consultant written direction to store or transfer the materials at Client's expense.

SECTION 7: INSURANCE

7.1 Insurance. Consultant shall keep and maintain the following insurance coverages:

- a. Workers' Compensation: Statutory
- b. Employer's Liability: \$1,000,000 bodily injury, each accident | \$1,000,000 bodily injury by disease, each employee | \$1,000,000 bodily injury/disease, aggregate
- c. General Liability: \$1,000,000 per occurrence | \$2,000,000 aggregate
- d. Automobile Liability: \$1,000,000 combined single limit (bodily injury and property damage)
- e. Excess Umbrella Liability: \$5,000,000 per occurrence | \$5,000,000 aggregate
- f. Professional Liability: \$2,000,000 per claim | \$2,000,000 aggregate

7.2 Waiver of Subrogation. Client and Consultant waive all claims and rights of subrogation for losses arising out of causes of loss covered by the respective insurance policies.

7.3 Certificate of Insurance. Consultant shall furnish Client with a certificate of insurance upon request.

SECTION 8: INDEMNIFICATION, CONSEQUENTIAL DAMAGES, LIABILITY LIMITS

8.1 Indemnification. Consultant's only indemnification obligation shall be to indemnify and hold harmless the Client, its officers, directors, and employees from and against those damages and costs incurred by Client or that Client is legally obligated to pay as a result of third party tort claims, including for the death or bodily injury to any person or for the destruction or damage to any property, but only to the extent proven to be directly caused by the negligent act, error, or omission of the Consultant or anyone for whom the Consultant is legally responsible. This indemnification provision is subject to the Limitation of Liability set forth in this Section 8.

8.2 Intellectual Property. Client agrees to indemnify Consultant against losses and costs arising out of claims of patent or copyright infringement as to any process or system that is specified or selected by Client or others on behalf of Client.

8.3 Mutual Waiver of Consequential Damages. NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREUNDER, NEITHER CONSULTANT NOR CLIENT SHALL BE LIABLE TO THE OTHER FOR ANY CONSEQUENTIAL, PUNITIVE, INDIRECT, INCIDENTAL OR SPECIAL DAMAGES, OR LOSS OF USE OR RENTAL, LOSS OF PROFIT, LOSS OF BUSINESS OPPORTUNITY, LOSS OF PROFIT OR REVENUE OR COST OF FINANCING, OR OTHER SUCH SIMILAR AND RELATED DAMAGE ASSERTED IN THIRD PARTY CLAIMS, OR CLAIMS BY EITHER PARTY AGAINST THE OTHER.

8.4 Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY LAW, THE TOTAL LIABILITY IN THE AGGREGATE OF CONSULTANT, CONSULTANT'S OFFICERS, DIRECTORS, PARTNERS, EMPLOYEES, AGENTS, AND SUBCONSULTANTS, TO CLIENT AND ANYONE CLAIMING BY, THROUGH OR UNDER CLIENT FOR ANY CLAIMS, LOSSES, COSTS, OR DAMAGES WHATSOEVER ARISING OUT OF, RESULTING FROM OR IN ANY WAY RELATED CONSULTANT'S PERFORMANCE OF THE SERVICES OR THIS AGREEMENT, FROM ANY CAUSE OR CAUSES, INCLUDING BUT NOT LIMITED TO NEGLIGENCE, PROFESSIONAL ERRORS AND OMISSIONS,

STRICT LIABILITY, BREACH OF CONTRACT, INDEMNIFICATION OBLIGATIONS OR BREACH OF WARRANTY, SHALL NOT EXCEED THE TOTAL COMPENSATION RECEIVED BY CONSULTANT OR \$50,000, WHICHEVER IS GREATER.

SECTION 9: MISCELLANEOUS PROVISIONS

9.1 Services Prior to Agreement. Directing Consultant to commence Services prior to execution of this Agreement constitutes Client's acceptance of this unaltered Agreement in its entirety.

9.2 Confidentiality. To the extent Consultant receives Client information identified as confidential, Consultant will not disclose that information to third parties without Client consent. Additionally, any Project Data prepared in performance of the Services will remain confidential and Consultant will not release the reports to any third parties not involved in the Project. Neither of the aforesaid confidentiality obligations shall apply to any information in the public domain, information lawfully acquired from others on a nonconfidential basis, or information that Consultant is required by law to disclose.

9.3 Relationship of the Parties. Consultant will perform Services under this Agreement as an independent contractor, and its employees will at all times be under its sole discretion and control. No provision in this Agreement shall be deemed or construed to create a joint venture, partnership, agency or other such association between the Parties.

9.4 Resource Conservation and Recovery Act. To the extent applicable to the Services, neither this Agreement nor the providing of Services will operate to make Consultant an owner, operator, generator, transporter, treater, storer, or a disposal facility within the meaning of the Resource Conservation and Recovery Act, as amended, or within the meaning of any other law governing the handling, treatment, storage, or disposal of hazardous substances. Client agrees to hold Consultant harmless, defend, and indemnify Consultant from any claims, damages, penalties or losses resulting from the storage, removal, hauling or disposal of such substances.

9.5 Services in Connection with Legal Proceedings. Client agrees to compensate Consultant in accordance with its then current fees, rates, or charges if Consultant is asked or required to respond to legal process arising out of a proceeding related to the Project and as to which Consultant is not a party.

9.6 Assignment. This Agreement may not be assigned by Consultant or Client without the prior written consent of the other Party, which consent shall not be unreasonably withheld.

9.7 Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended, or will be construed, to confer upon or give any person or entity other than Consultant and Client, and their respective permitted successors and assigns, any rights, remedies, or obligations under or by reason of this Agreement.

9.8 Termination. This Agreement may be terminated by either Party for cause upon seven (7) days written notice to the other Party. Should the other Party fail to cure and perform in accordance with the terms of this Agreement within such seven-day period, the Agreement may terminate at the sole discretion of the Party that provided the written notice. The Client may terminate this Agreement for its convenience. If Client terminates for its convenience, then Consultant shall be compensated in accordance with the terms hereof for Services performed, reimbursable costs and expenses incurred prior to the termination, and reasonable costs incurred as a result of the termination.

9.9 Force Majeure. Neither Party shall be liable for damages or deemed in default of this Agreement to the extent that any delay or failure in the performance of its obligations (other than the payment of money) results, without its fault or negligence, from any cause beyond its reasonable control, including but not limited to acts of God, acts of civil or military authority, embargoes, pandemics, epidemics, war, riots, insurrections, fires, explosions, earthquakes, floods, adverse weather conditions, strikes or lock-outs, declared states of emergency, and changes in laws, statutes, regulations, or ordinances.

9.10 Disputes, Choice of Law, Venue. In the event of a dispute and prior to exercising rights at law or under this Agreement, Consultant and Client agree to negotiate all disputes in good faith for a period of 30 days from the date of notice of such dispute. This Agreement will be governed by the laws and regulations of the state in which the Project is located and all disputes and claims shall be heard in the state or federal courts for that state. Client and Consultant each waive trial by jury.

9.11 Individual Liability. No officer or employee of Consultant, acting within the scope of employment, shall have individual liability for any acts or omissions, and Client agrees not to make a claim against any individual officers or employees of Consultant.

9.12 Severability. Should a court of law determine that any clause or section of this Agreement is invalid, all other clauses or sections shall remain in effect.

9.13 Waiver. The failure of either Party hereto to exercise or enforce any right under this Agreement shall not constitute a release or waiver of the subsequent exercise or enforcement of such right.

9.14 Entire Agreement. The terms and conditions set forth herein constitute the entire understanding of the Parties relating to the provision of Services by Consultant to Client. This Agreement may be amended only by a written instrument signed by both Parties. In the event Client issues a purchase order or other documentation to authorize Consultant's Services, any conflicting or additional terms of such documentation are expressly excluded from this Agreement.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: 5/19/2025

Item No.: 10.d.

Department Approval

City Manager Approval

Item Description: Approve Resolution for Application to MnDOT Local Partnership Program (LPP) Grant for the Snelling Avenue Pathway

Background

In 2026, MnDOT will be resurfacing Snelling Avenue (TH 51) from Highway 36 to Grey Fox Road in Arden Hills. As a part of their project, they propose to build an off-road path on the east side of Snelling from Lydia to Asbury in Roseville and from Glenhill Road to Snelling Ave North (Old Snelling) in Arden Hills. MnDOT is not proposing a path in between these segments, from Asbury Street to Glenhill Road (Snelling Avenue Pathway). A pathway on the west side of Snelling, north of Lydia, has been identified in the adopted Pathway Master Plan. In addition, the same corridor is identified as a Tier 1 Corridor in the Metropolitan Council's Regional Bicycle Transportation Network (RBTN). Per Met Council, the "RBTN is the official regional bikeway network that sets the region's priority vision for planning and investment." Although the RBTN includes the neighborhood streets of Asbury, Ridgewood and Glenhill in the possible connection limits, and that route is what MnDOT assumes a pedestrian or cyclist will use, that route is an indirect on-road connection. A continuous pathway from Lydia to Old Snelling would provide connection from Roseville, Oasis Park, and Northwestern University to Mounds View High School, Valentine Hills Elementary School, Bethel College, Lake Johanna Park and County Road E2 commercial businesses.

Since the cities believe this missing segment provides a direct and coherent multimodal connection both at a local and regional level, staff wishes to apply for MnDOT's Local Partnership Program (LPP) Grant program with Arden Hills. The grant provides funding in accordance with MnDOT's Cost Participation Policy which ideally means the grant will pay for construction and construction administration for the pathway construction. Roseville and Arden Hills would need to pay for the design engineering fees, for which Roseville intends to use available Municipal State Aid Funds. If awarded the grant, funding is available in June 2026 so construction would likely occur in late 2026 or early 2027.

Policy Objectives

People and businesses prosper by using a reliable, affordable, and efficient multi-modal transportation system that connects them to destinations throughout the region and beyond.

Equity Impact Summary

A pathway on the west side of Snelling Avenue from Asbury Street to Glenhill Road would enhance walking and biking within the area as there are no other off-road pathways to connect MnDOT's proposed pathways to the north and south. This north-south pathway segment would better connect neighborhoods, schools, commercial businesses, and parks (as noted in Background above) for those too young to drive, those who don't own cars, and those who choose to walk or bike.

Budget Implications

The preliminary estimated costs of the pathway segment are \$300,000 for construction and \$50,000 for engineering. If successful, the MnDOT LPP grant pays for construction and construction administration, so the costs to the cities would be the design engineering fees. We would likely have a consulting firm design the project and pay for our share (estimated at \$25,000) with available Municipal State Aid (MSA) funds. Arden Hills would pay for their share of the design engineering fees as well.

Staff Recommendations

Staff recommends City Council adopt a resolution authorizing application for MnDOT LPP funds to finance the construction of the Snelling Avenue Pathway.

Requested Council Action

Motion to adopt a resolution authorizing application for MnDOT LPP funds to finance the construction of the Snelling Avenue Pathway.

Prepared by: Jennifer Lowry, Assistant Public Works Director / City Engineer

Attachments: 1. Resolution
2. Project Map

36 The motion for the adoption of the foregoing resolution was duly seconded by
37 Councilmember and upon vote being taken thereon, the following voted in
38 favor thereof: and the following voted against the same: .

39 WHEAREUPON said resolution was declared duly passed and adopted.

STATE OF MINNESOTA)
) ss
COUNTY OF RAMSEY)

I, the undersigned, being the duly qualified City Manager of the City of Roseville, County of Ramsey, State of Minnesota, do hereby certify that I have carefully compared the attached and foregoing extract of minutes of a regular meeting of said City Council held on the 19th day of May, 2025, with the original thereof on file in my office.

WITNESS MY HAND officially as such Manager this 19th day of May, 2025.

Patrick Trudgeon, City Manager
